

## SNT Tracker™ (Slap-n-Track)

*Powerful GPS Tracking for Vehicles, Infrastructure and Long-Term Investigations*

Our SNT Tracker offers the same features and advantages of Electronic Stake Out® (ESO®) and Asset Tracker™ with additional benefits including an extended battery life, rugged housing, and optional magnets. SNT is especially effective in tracking vehicles, cargo, and other large assets for extended periods of time.

### Your Partner In Cash And Asset Protection

• • • • •

Over 45 years of experience and specialized knowledge in the Security field

24/7 US-based support

Long-term relationships with the industry, built on trust and satisfaction

Partnered with over 7,000 Law Enforcement agencies

Over 10K criminals apprehended and \$100M in assets recovered

Only company offering both GPS Tracking AND Cash Protection Solutions

**If an Event Occurs...** SNT automatically triggers depending on programmed options. The Device owner receives an immediate text alert and can access full tracking information, allowing safe pursuit and apprehension.

### Features
