

GPS Tracking

Innovation That Protects

July 2018

A highlight of crimes solved with the help of 3SI's GPS Tracking Technology

Amount Recovered	Summary
\$3,100	<p>Cash Tracker™ - Palm Bay, FL - July 2</p> <p>A male suspect presented a note demanding \$20,000. The teller gave him cash and included the Cash Tracker. A sergeant on routine patrol received the alert just moments after the robbery and happened to see the suspect waiting at a traffic light at the same intersection. The officer arrested the suspect without incident just three minutes after the crime occurred and recovered all of the stolen cash. The suspect has a criminal history for drug trafficking and is on federal probation for bank robbery. He may be a suspect in additional robberies.</p>
Full Recovery	<p>Cash Tracker™ - York, PA - July 2</p> <p>A lone suspect robbed a convenience store of cash and escaped on foot. Police were silently notified and quickly established a perimeter. The suspect didn't get far before being apprehended by police. A full recovery was made.</p>
\$4,350	<p>Asset Tracker™ - Indianapolis, IN - July 3</p> <p>A big box store was robbed of multiple car batteries. Asset Tracker alerted police who tracked and apprehended two suspects. All of the stolen merchandise was recovered.</p>
\$14,000	<p>Phone Tracker™ - Indian Trail, NC - July 4</p> <p>Four suspects comprising two adults and two juveniles conducted an armed takeover robbery at a phone store. Police quickly starting tracking the suspects who, during the escape, crashed their car. Police arrested all four suspects and made a full recovery of all the stolen phones.</p>
\$20,000	<p>Phone Tracker™ - Melrose Park, IL - July 5</p> <p>After robbing a phone store, the two suspects fled in a car. While being pursued by police, they ditched the car and tried to escape on foot. They were quickly caught, and their vehicle, containing all of the stolen phones, was recovered.</p>
\$11,797	<p>Phone Tracker™ - Albuquerque, NM - July 5</p> <p>One robber entered a phone store and escaped with both cash and smartphones. Luckily, Phone Tracker was on the job and quickly alerted police. The suspect and all of the stolen cash and phones was recovered.</p>

AT LEAST 73 CRIMINALS CAUGHT AND OVER \$680K RECOVERED!

Amount Recovered	Summary
\$3,275	Cash Tracker™ - Denver, CO - July 5 A suspect entered a bank and demanded cash from a teller. He left the bank with a Cash Tracker and was tracked and captured by police. All of the stolen money was recovered.
\$240	Cash Tracker™ - Stockton, CA - July 6 A game store was burglarized and Cash Tracker reported the crime. Police began tracking and noticed the tracker was moving at a very slow rate, so they determined the suspect was on a bike. The suspect was apprehended just 20 minutes after the crime and the stolen cash was recovered.
\$900	Cash Tracker™ - Greenville, SC - July 6 A suspect entered a bank and stole money and a Cash Tracker. Police started tracking and were able to apprehend the suspect and recover all of the stolen money.
\$20,000	PharmaTracker® - Columbus, OH - July 7 Three suspects robbed a pharmacy of drugs. They unknowingly also took a PharmaTracker. Police tracked and successfully apprehended two of the suspects. They were also able to recover all of the stolen drugs, keeping them off the streets.
\$765	Cash Tracker™ - Glendale, AZ - July 7 One suspect robbed a game store of cash and also stole the Cash Tracker. Local police were dispatched and tracked him until he became stationary. He was arrested without incident. The stolen cash and device were recovered.
\$40,000	PharmaTracker® - Sterling Heights, MI - July 8 Four criminals wearing masks burglarized a neighborhood pharmacy at around 4:30 a.m. They were able to steal the entire 500 lb. safe containing the prescription drugs. Luckily, the pharmacy had placed a PharmaTracker inside so police were notified of the burglary and started tracking. Once the police started tailing the suspects, they accelerated reaching speeds up to 100 mph. The weight of the safe broke the tailgate and the safe fell out so police were able to recover all of the stolen drugs as well as the minimally-damaged safe.
\$30,000	Phone Tracker™ - Yucaipa, CA - July 9 After robbing a phone store, the suspect drove through multiple jurisdictions. Luckily, Phone Tracker was easily able to report to police exactly where they were. Using vehicular pursuit as well as an airship, police successfully located the suspect's vehicle where they recovered all of the stolen phones.
\$745	Cash Tracker™ - Edmond, OK - July 9 A beauty store was burglarized and the Cash Tracker was stolen. Local police were notified of the crime when the device alerted and began tracking away from the store. When the device became stationary, police moved in and arrested two suspects. All of the stolen cash was recovered.
\$2,300	Cash Tracker™ - Waterville, ME - July 10 A suspect robbed a bank and escaped on foot through the woods behind the building. Police were able to track, locate and apprehend the robber and recover all of the stolen money.

Amount Recovered	Summary
\$1,620	Cash Tracker™ - St. Louis, MO - July 10 Suspect entered a bank and robbed a teller of \$1,620. The alert teller also included a Cash Tracker which reported the crime to police. The suspect was easily arrested and the police recovered all of the stolen money.
\$7,540	Cash Tracker™ - Virginia Beach, VA - July 11 A suspect entered a bank and stole money from a teller. Police tracked using Cash Tracker and successfully apprehended him. A full recovery of all the stolen cash was made.
\$500	Cash Tracker™ - Houston, TX - July 11 After robbing a convenience store of cash, the suspect was tracked leaving the store at a low rate of speed. When the device became stationary shortly after that, police moved in and arrested the suspect. They were also able to recover all of the stolen money.
\$17,000	Phone Tracker™ - Crystal, MN - July 12 Two suspects entered a phone store and stole smartphones. They thought they had escaped but luckily Phone Tracker was along for the ride. Police tracked and arrested both robbers and recovered some of the stolen merchandise.
\$560	Cash Tracker™ - Las Vegas, NV - July 12 Two suspects robbed a dollar store and fled in a vehicle. When they became stationary, police moved in for the arrest. The stolen cash and device were also recovered.
\$20,000	ATM Tracker™ - Calgary, AB - July 12 An ATM equipped with ATM Tracker began reporting to police that it was leaving its home location. Police quickly began tracking the suspects who were traveling in excess of 96 mph. After traveling to a major highway, the vehicle got a flat tire and police were able to arrest the driver without incident. The ATM and all of the cash inside was recovered.
\$1,960	Cash Tracker™ - Coconut Creek, FL - July 16 A robber entered the bank and aggressively threw a demand note at a teller. Eight tellers each hit the robbery alarm button at the same time. The suspect fled with cash and a Cash Tracker. By the time the alarm company had confirmed the robbery, police were already pursuing the suspect using Cash Tracker's GPS. There was a short chase reaching speeds of over 100 mph and the suspect crashed his car. He was arrested and all of the stolen money was recovered. The suspect has had 98 arrests since 1988 and is a habitual violent felony offender. He conducted this robbery to support his current drug addiction.
\$20,000	PharmaTracker® - Greenbelt, MD - July 16 A pharmacy was robbed and the suspect was given a PharmaTracker. After traveling through multiple jurisdictions, police were able to apprehend the suspect and recover all of the stolen drugs. Police believe the suspect may have ties to a group responsible for pharmacy robberies in Maryland, Virginia and Washington, DC. Additional arrests are anticipated.
\$580	Cash Tracker™ - Quincy, MA - July 16 A lone suspect robbed a bank and escaped on foot. Police tracked and began a foot chase using K-9 units. The suspect was easily apprehended and all of the stolen money was recovered.

Amount Recovered	Summary
\$55,000	Phone Tracker™ - Oakland, CA - July 18 Four robbers entered a phone store and escaped with \$55,000 of smartphones. Police were logged in and tracking and were able to arrest all four suspects as well as recover all of the stolen phones.
\$20,000	PharmaTracker® - La Plata, MD - July 18 Three suspects robbed a pharmacy. PharmaTracker alerted police and they began tracking. One suspect was apprehended quickly and police used air support to search for the other two. This robbery may be linked to the July 16th pharmacy robbery in Greenbelt, MD.
\$500	Phone Tracker™ - Phoenix, AZ - July 19 Two suspects entered a phone store. While the store employee was in the back, they stole the Phone Tracker. Using the tracking data, police quickly located and arrested both suspects and recovered the stolen device.
\$1,384	Cash Tracker™ - Marietta, GA - July 19 After robbing a bank, the suspect was tracked using Cash Tracker's GPS. Police arrested the robber and recovered all of the stolen cash.
\$80,000	ATM Tracker™ - Bristow, VA - July 21 A suspect stole a front end loader from a nearby construction site, apparently using his own universal key. ATM Tracker alerted police of the crime. Luckily, an officer was very close to the site and arrived on scene while the suspect was dragging the ATM across the street. Police were able to stop the theft but the suspect escaped after a foot chase. Police believe this case may be related to several other ATM crimes in the area where stolen construction equipment was used.
\$58,000	Phone Tracker™ - Toronto, ON - July 22 Two armed, disguised suspects entered a phone store and stole approximately 35 smartphones as well as Phone Tracker. They fled in a vehicle driven by a third individual. Responding police officers used tracking data to locate the suspects' vehicle. Police arrested the suspects as they were transporting the bag containing the stolen phones. A search warrant for the vehicle resulted in the recovery of a firearm as well as additional smartphones stolen in another robbery. In total, 58 smartphones were recovered.
\$8,500	Phone Tracker™ - Corona, CA - July 22 A lone suspect robbed a phone store and escaped. Police used GPS to track the suspect through multiple jurisdictions. When the car became stationary, police moved in for the arrest. The police believe this suspect is responsible for many similar crime events throughout Southern California.
\$30,000	Phone Tracker™ - San Bernardino, CA - July 22 Two suspects entered a phone store and immediately began attacking the manager who, luckily, did not sustain major injuries. The criminals took the manager to the safe and forced him to open it. They escaped but Phone Tracker gave police the upper hand...after just a few minutes, they had both suspects in custody and recovered all of the stolen phones.

Amount Recovered	Summary
\$36,000	Cash Tracker™ - San Antonio, TX - July 23 A lone suspect entered a bank and threatened a teller, implying a weapon. He stole money from two tellers and escaped. Police successfully tracked and arrested him. The suspect is believed to have committed seven additional robberies in the area and is believed to have escaped with large sums of money in the previous crimes.
\$426	Cash Tracker™ - Memphis, TN - July 23 A dollar store was robbed by two suspects. The Cash Tracker notified police of the crime and they successfully tracked and nabbed one of the suspects. The stolen cash and device were recovered.
\$1,800	Cash Tracker™ - Orange Park, FL - July 23 An older male robbed a bank and fled by vehicle. Police tracked the suspect via GPS, conducted a felony stop and arrested him without incident. All of the stolen money was recovered.
\$30,000	Phone Tracker™ - Memphis, TN - July 23 Two armed suspects robbed a phone store and stole smartphones as well as some other equipment. The police tracked the suspects and noticed that they looped back and appeared to go back by the store after the robbery. Police initiated a stop and one suspect bailed from the car and escaped. The other suspect was successfully detained. All of the stolen merchandise as well as the firearm used during the robbery was recovered.
\$41,000	Cash Tracker™ - London, ON - July 23 A lone male suspect gave a holdup note to a teller who gave him cash and a Cash Tracker. Police tracked and found him parked on the side of the road. He was arrested and the stolen money was recovered. The holdup note he used claimed that people were holding his wife hostage. The same MO was used previously and this suspect has been charged with both holdups.
\$1,700	Cash Tracker™ - Milwaukee, WI - July 24 A lone suspect entered a bank and announced a robbery. The tellers handed over the cash and the suspect fled. Police tracked and apprehended the suspect and a partial recovery was made.
\$361	Cash Tracker™ - Las Vegas, NV - July 24 A lone suspect robbed a dollar store and fled with the cash and Cash Tracker. He was tracked and arrested by police. The stolen cash and device were recovered by police.
\$15,000	Phone Tracker™ - Houston, TX - July 24 Two suspects conducted a burglary at a phone store. Phone Tracker alerted police and they began tracking. Both suspects were apprehended and all of the stolen phones were recovered.
Full Recovery	Tobacco Tracker™ - Burnaby, BC - July 24 A male suspect armed with a machete robbed a convenience store of cash and cigarettes. Responding police officers used the GPS provided by Tobacco Tracker to locate and arrest the subject. All of the stolen cash and cigarettes were recovered, and the suspect is believed to be linked to at least three other robberies.
\$25,000	Phone Tracker™ - Westbury, NY - July 24 Two suspects robbed a phone store and fled in a vehicle. Police tracked them through multiple precincts before successfully apprehending them. Both suspects are under arrest and all of the stolen inventory was recovered.

GPS TRACKING

Amount Recovered	Summary
\$5,362	Phone Tracker™ - Houston, TX - July 25 Five individuals robbed a phone store. During their flight, at least two of the suspects attempted to carjack a vehicle from a local gas station, but police intervened and arrested them. With the assistance of a K9 unit, the other suspects were also arrested and all of the stolen phones were recovered and returned to the store owner.
\$22,000	Cash Tracker™ - Ogden, UT - July 26 Two suspects robbed a bank. They thought they had escaped but police used GPS to track and apprehend them. Both robbers are under arrest and all of the stolen cash was recovered.
\$3,521	Cash Tracker™ - Philadelphia, PA - July 27 A suspect entered a branch, demanded money from a teller and fled. When he became stationary, police moved in and arrested him. They also made a partial recovery of the stolen money.
\$500	Phone Tracker™ - Winter Haven, FL - July 27 A lone suspect stole the Phone Tracker from an electronics store. Police tracked and arrested the suspect, and recovered the device.
Full Recovery	Cash Tracker™ - Jacksonville, FL - July 27 A lone suspect entered a credit union and handed the teller a demand note. He fled the bank with cash as well as a Cash Tracker. Police easily tracked and apprehended him and recovered all of the stolen cash. The suspect has an extensive criminal history and was released from prison in 2016. He is linked to several other robberies and has eight aliases.
\$500	Phone Tracker™ - Marshall, TX - July 28 A suspect stole a Phone Tracker from a big box store. Police were alerted and tracked. The suspect was apprehended and the device was recovered.
\$400	Cash Tracker™ - Milwaukee, WI - July 30 Two suspects robbed a dollar store and stole cash and the Cash Tracker. The local PD was logged in and tracked the criminals. Both were arrested and all of the stolen cash was recovered.
\$18,760	Phone Tracker™ - Griffin, GA - July 31 Three robbers stole smartphones from an electronics store. During their escape, they traveled through multiple jurisdictions at speeds in excess of 125 mph. Thanks to Phone Tracker, police safely pursued and apprehended all three suspects, and recovered all of the stolen phones. This crew has been implicated in at least two other electronics store robberies.
