## Amount Recovered Summary

<b>\$30,000</b> <b>4 arrests</b>	<b>Calumet, IL - Dec 23</b> Four suspects robbed a wireless store and fled on foot to a home less than two blocks away from the location of the crime. When police arrived, two of the suspects attempted to hide in the basement, while the other two tried to exit out of the back door. Police were able to apprehend all of the suspects involved. The stolen merchandise was recovered shortly thereafter.
<b>Full Recovery</b> <b>1 arrest</b>	<b>El Paso, TX - Dec 23</b> A suspect robbed a wireless store and fled. Police were silently alerted and tracked the assailant using GPS data. The suspect was apprehended and the smartphones were recovered.
<b>\$311,865</b> <b>1 arrest</b>	<b>Marion, IL - Dec 21</b> Two suspects broke into a wireless store after hours and proceeded to steal hundreds of thousands of dollars in smartphones. The suspects loaded a rented u-haul truck with all of the stolen merchandise and fled. Phone Tracker alerted police and enabled them to track the vehicle until it became stationary. Once stopped, police moved in and captured one of the suspects involved. The truck was seized, and all of the stolen merchandise was recovered. Police are still searching for the other suspect.
<b>\$30,000</b> <b>3 arrests</b>	<b>Lithia Springs, GA - Dec 13</b> Three suspects broke into a wireless store after hours and stole smartphones. The Tracker they unknowingly added to their bag activated immediately and notified police. Police were on the scene before the suspects had an opportunity to load their vehicle. All of the stolen merchandise was recovered and returned to the store, and all three suspects were taken into custody.
<b>\$30,000</b> <b>3 arrests</b>	<b>Evanston, WY - Dec 13</b> Three suspects robbed a large retailer of smartphones. Phone Tracker alerted police and began tracking. The suspects were located and all of the stolen merchandise was recovered.
<b>\$30,000</b> <b>3 arrests</b>	<b>Hyattsville, MD - Dec 11</b> Three suspects robbed a large wireless retailer of smartphones. The Tracker alerted police and began tracking. The suspects were quickly apprehended and a full recovery was made.
<b>\$64,092</b> <b>2 arrests</b>	<b>Deerfield, FL - Dec 9</b> Two suspects broke into a wireless store after hours and stole thousands of dollars worth of smartphones. Police located the suspects using GPS tracking data. Once on-site, police found four large bags of stolen goods in the suspect's vehicle. <b>A total of 93 smartphones was recovered.</b>
<b>\$500</b> <b>1 arrest</b>	<b>Burlington, NJ - Dec 9</b> A suspect entered a big-box retailer and stole a cell phone. The stolen phone was actually a Phone Tracker. Police used GPS to pinpoint the assailant's whereabouts. They were able to recover the stolen phone and return it to the retailer.
<b>\$49,000</b> <b>3 arrests</b>	<b>Fort Worth, TX - Dec 9</b> Three suspects robbed a wireless store at gunpoint for smartphones and other merchandise and fled by car. Police used tracking data from the Tracker to locate the suspects. Once the assailants became stationary police moved in and apprehended them all. All of the stolen property was recovered from the vehicle.

Amount Recovered	Summary
<b>\$38,828</b> <b>2 arrests</b>	<b>San Ysidro, CA - Dec 4</b> Two suspects entered a wireless store and produced a handgun. They ordered all of the employees and customers onto the floor and forced the manager on duty to open the safe. The individuals then fled the store with 38 smartphones and a Phone Tracker. The tracker silently notified police who tracked and apprehended the suspects and recovered all of the stolen smartphones.
<b>\$13,400</b> <b>5 arrests</b>	<b>Raytown, MO - Dec 4</b> Five armed suspects robbed a wireless store and fled with the stolen merchandise. Police were alerted and tracked the group using GPS. All of the suspects were apprehended and the merchandise was returned to the store.
<b>\$14,000</b> <b>2 arrests</b>	<b>Kent, WA - Dec 3</b> Two suspects robbed a wireless store and fled. GPS enabled police to track the suspects who traveled a couple of miles before becoming stationary. Once stopped, police moved in and recovered all of the stolen merchandise and apprehended the two suspects.
<b>\$4,000</b>	<b>Altamonte Springs, FL - November 28</b> A lone suspect robbed a phone store of smartphones and a Phone Tracker and fled. Police responded when they received the alert. The suspect realized he was being pursued and dumped the merchandise. Police tracked the device to a nearby rooftop of a neighboring business. The store property was recovered. The suspect is still at large. An investigation is pending.
<b>\$3,000</b> <b>1 arrest</b>	<b>Spring, TX - November 24</b> A suspect attempted to steal several smartphones along with other items. Unaware that the store used Phone Tracker, the unsuspecting thief stole a device, which activated as soon as it was removed from the shelf. Local police were notified of the crime. The criminal was identified and arrested. All of the merchandise was returned to the store.
<b>\$64,000</b> <b>3 arrests</b>	<b>College Park, MD - November 23</b> Three suspects robbed a phone store at gunpoint, stealing thousands in smartphones and other devices. One of the stolen phones was actually Phone Tracker and it began to track their movements the moment they fled the store. Local police were alerted and tracked. The suspects were apprehended at a nearby apartment. All of the stolen devices were recovered and returned to the store.
<b>\$1,800</b>	<b>Brooklyn Park, MN - November 23</b> A suspect entered a big-box retailer and stole a smartphone and a Phone Tracker. The tracker immediately activated notifying local police of the incident. Police tracked the suspect until the device became stationary and then moved in. The suspect escaped but left the devices behind. A full recovery was made and an investigation is pending.
<b>\$30,000</b> <b>2 arrests</b>	<b>Sedalia, MO - November 21</b> Two masked suspects entered a phone store and demanded cash and merchandise. The store employee gave the criminal smartphones and a Phone Tracker. The device silently notified police who were able to locate both suspects just twenty minutes later. The two men were taken into custody and a full recovery was made.

# GPS TRACKING

Amount Recovered	Summary
\$160 2 arrests	<b>Scarborough, ON - November 19</b> Two suspects ran into a phone store and quickly grabbed smartphones. 3SI contacted ON Toronto PD and assisted in tracking. The device became stationary at a nearby address. The two suspects were apprehended. There is a full recovery expected.

Amount Recovered	Summary
\$5,362 5 arrests	<b>Houston, TX - July 25</b> Five individuals robbed a phone store. During their flight, <b>at least two of the suspects attempted to carjack a vehicle from a local gas station, but police intervened and arrested them.</b> With the assistance of a K9 unit, the <b>other suspects were also arrested and all of the stolen phones were recovered</b> and returned to the store owner.
\$25,000 2 arrests	<b>Westbury, NY - July 24</b> Two suspects robbed a phone store and fled in a vehicle. Police tracked them through multiple precincts before successfully apprehending them. Both suspects are under arrest and all of the stolen inventory was recovered.
\$15,000 2 arrests	<b>Houston, TX - July 24</b> Two suspects conducted a burglary at a phone store. Phone Tracker alerted police and they began tracking. Both suspects were apprehended and all of the stolen phones were recovered.
\$30,000 1 arrest	<b>Memphis, TN - July 23</b> Two armed suspects robbed a phone store and stole smartphones as well as some other equipment. The police tracked the suspects and noticed that they looped back and appeared to go back by the store after the robbery. Police initiated a stop and one suspect bailed from the car and escaped. The other <b>suspect was successfully detained. All of the stolen merchandise as well as the firearm used during the robbery was recovered.</b>
\$30,000 2 arrests	<b>San Bernardino, CA - July 22</b> Two suspects entered a phone store and immediately began attacking the manager who, luckily, did not sustain major injuries. The <b>criminals took the manager to the safe and forced him to open it. They escaped but Phone Tracker gave police the upper hand...after just a few minutes, they had both suspects in custody and recovered all of the stolen phones.</b>
\$8,500 1 arrest	<b>Corona, CA - July 22</b> A lone suspect robbed a phone store and escaped. Police used GPS to track the suspect through multiple jurisdictions. When the car became stationary, police moved in for the arrest. <b>The police believe this suspect is responsible for many similar crime events throughout Southern California.</b>
\$58,000 2 arrests	<b>Toronto, ON - July 22</b> Two armed, disguised suspects entered a phone store and stole approximately 35 smartphones as well as Phone Tracker. They fled in a vehicle driven by a third individual. Responding police officers used tracking data to locate the suspects' vehicle. <b>Police arrested the suspects as they were transporting the bag containing the stolen phones. A search warrant for the vehicle resulted in the recovery of a firearm as well as additional smartphones stolen in another robbery. In total, 58 smartphones were recovered.</b>
\$500 2 arrests	<b>Phoenix, AZ - July 19</b> Two suspects entered a phone store. While the store employee was in the back, they stole the Phone Tracker. Using the tracking data, police quickly located and arrested both suspects and recovered the stolen device.

Amount Recovered	Summary
<b>\$55,000</b> <b>4 arrests</b>	<b>Oakland, CA - July 18</b> Four robbers entered a phone store and escaped with \$55,000 of smartphones. Police were logged in and tracking and were able to arrest all four suspects as well as recover all of the stolen phones.
<b>\$17,000</b> <b>2 arrests</b>	<b>Crystal, MN - July 12</b> Two suspects entered a phone store and stole smartphones. They thought they had escaped but luckily Phone Tracker was along for the ride. Police tracked and arrested both robbers and recovered some of the stolen merchandise.
<b>\$30,000</b> <b>1 arrest</b>	<b>Yucaipa, CA - July 9</b> After robbing a phone store, the suspect drove through multiple jurisdictions. Luckily, Phone Tracker was easily able to report to police exactly where they were. Using vehicular pursuit as well as an airship, police successfully located the suspect's vehicle where they recovered all of the stolen phones.
<b>\$11,797</b> <b>1 arrest</b>	<b>Albuquerque, NM - July 5</b> One robber entered a phone store and escaped with both cash and smartphones. Luckily, Phone Tracker was on the job and quickly alerted police. The suspect and all of the stolen cash and phones was recovered.
<b>\$20,000</b> <b>2 arrests</b>	<b>Melrose Park, IL - July 5</b> After robbing a phone store, the two suspects fled in a car. While being pursued by police, they ditched the car and tried to escape on foot. They were quickly caught, and their vehicle, containing all of the stolen phones, was recovered.
<b>\$14,000</b> <b>4 arrests</b>	<b>Indian Trail, NC - July 4</b> Four suspects comprising two adults and two juveniles conducted an armed takeover robbery at a phone store. Police quickly starting tracking the suspects who, during the escape, crashed their car. Police arrested all four suspects and made a full recovery of all the stolen phones.
<b>\$1,400</b> <b>1 arrest</b>	<b>San Francisco, CA - June 29</b> An armed suspect robbed a wireless store of merchandise and fled. Phone Tracker alerted and police tracked with GPS. The suspect was taken into custody and a full recovery was made.
<b>\$4,670</b> <b>1 arrest</b>	<b>Atlanta, GA - June 18</b> A lone suspect burglarized a wireless store and fled with smartphones. Phone Tracker was along for the ride and alerted police. Within minutes police were tracking and when the suspect became stationary, police moved in. A partial recovery was made.
<b>\$30,000</b> <b>1 arrest</b>	<b>Tempe Terrace, FL - June 14</b> A lone suspect burglarized a wireless store of merchandise and fled. Phone Tracker alerted police to the robbery. Police tracked and apprehended the suspect. A full recovery was made.

Amount Recovered	Summary
<b>\$41,000</b> <b>1 arrest</b>	<b>Walnut Creek, CA - June 9</b> Three suspects burglarized a wireless store by tunneling through the drywall of an adjacent store. Phone Tracker alerted and police used GPS to track the suspects to a house where they became stationary. <b>One suspect was apprehended, firearms were seized, 41 smartphones and other stolen property from previous burglaries were recovered. The investigation is ongoing.</b>
<b>\$65,000</b> <b>4 arrests</b>	<b>Calgary, AB - June 8</b> Four armed males entered a wireless store and made off with 65 iPhones. Phone Tracker alerted and police tracked. A full recovery was made and the suspects are behind bars.
<b>\$73,000</b> <b>4 arrests</b>	<b>Lethbridge, AB - June 7</b> Four male suspects entered a wireless store, forced the employees to open the safe, and fled with 73 iPhones. Police were alerted and tracked with GPS. Track data enabled police to deploy a spike belt ahead of the suspect's route. All four suspects were apprehended and the phones were returned to the store owner.
<b>\$50,500</b> <b>2 arrests</b>	<b>Matthews, NC - June 6</b> Two suspects entered a wireless store through the back door and took cash and smartphones. Phone Tracker alerted police who arrived on the scene as the suspects were looking through the merchandise. The suspects fled out the back door, dropped the bag containing the cash and merchandise and fled in opposite directions. A full recovery was made and the investigation is still ongoing.
<b>\$30,000</b> <b>1 arrest</b>	<b>Los Lunas, NM - June 6</b> A suspect held up a wireless store and fled a long distance before becoming stationary. Police were alerted by Phone Tracker and tracked. The suspect was apprehended and all the merchandise was recovered.
<b>\$30,000</b> <b>3 arrests</b>	<b>Norfolk, VA - June 4</b> Three suspects burglarized a wireless store in the early morning hours. The suspects took the safe containing cash and smartphones and fled to a residence. Police tracked and upon arrival, witnessed three suspects leaving the house. <b>The suspects were taken into custody and the handheld beacon was used to pinpoint the location of the stolen safe and its contents inside the house. Hundreds of smartphones and a large amount of cash from previous crimes were also recovered. The investigation is ongoing.</b>
<b>\$11,000</b> <b>2 arrests</b>	<b>Chicago, IL - June 3</b> Two suspects robbed a wireless store just before closing time and fled by vehicle. Phone Tracker alerted and police tracked. When the suspects became stationary, police moved in. All the merchandise was recovered and the suspects are behind bars.

Amount Recovered	Summary
<b>\$48,000</b> <b>2 arrests</b>	<b>Clearwater, FL - June 2</b> Three armed suspects entered a wireless store, tied up two employees, and emptied the safe and the cash register. Phone Tracker alerted and police tracked the suspects who during flight, switched license plates and changed clothes in an attempt to throw off police. A full recovery was made and two suspects were apprehended. The investigation is on going.
<b>\$10,100</b> <b>5 arrests</b>	<b>Houston, TX - June 2</b> Five suspects robbed a wireless store of cash and iPhones. <b>Phone Tracker silently alerted police who quickly tracked and apprehended the five suspects. A full recovery was made. The five suspects have prior arrests and three are on bond for previous wireless store robberies.</b>
<b>\$8,080</b> <b>1 arrest</b>	<b>Miami, FL - May 31</b> A lone suspect robbed a wireless store of iPhones. Within minutes, police had tracked and apprehended the suspect. All the phones were returned to the store owner.
<b>\$35,000</b> <b>3 arrests</b>	<b>Milwaukee, WI - May 28</b> Three suspects robbed a wireless store during store hours. The suspects didn't get far before police had them in custody. All the stolen iPhones were recovered.
<b>\$93,000</b> <b>3 arrests</b>	<b>Augusta, GA - May 23</b> Three armed suspects robbed a wireless store of 131 smartphones. Phone Tracker silently notified police who tracked. When the suspects became stationary, police moved in. The suspects were apprehended and a search warrant was obtained for the vehicle. A full recovery was made.
<b>\$35,000</b> <b>2 arrests</b>	<b>Bowmanville, ON - May 22</b> One disguised male robbed a wireless store of 40 iPhones and fled into a waiting vehicle driven by an accomplice. Police were alerted, tracked and conducted a high-risk stop. <b>Both males were arrested and all the smartphones were recovered. The suspects are being charged with five additional wireless store holdups. The investigation is ongoing.</b>
<b>\$50,000</b> <b>2 arrests</b>	<b>Springfield, IL - May 18</b> Two armed suspects robbed a wireless store and fled on foot and then by vehicle. Police were alerted and tracked. When police closed in, one suspect bailed out of the car and fled. Both suspects were apprehended and all the merchandise was recovered.
<b>\$46,000</b> <b>2 arrests</b>	<b>Van Nuys, CA - May 18</b> Two armed male suspects conducted a takeover robbery at a wireless store. Police received alerts and quickly began tracking. A full recovery was made and both suspects were apprehended.
<b>\$100,000</b> <b>1 arrest</b>	<b>Fountain Valley, CA - May 13</b> Three suspects broke into a wireless store and tunneled through drywall to get to the safe. The suspects then cut into the safe and made off with 129 smartphones and other merchandise. Phone Tracker notified police who tracked and conducted a felony car stop.
