Innovation That Protects

January 2019

A Highlight of crimes solved with the help of 3SI's Tracking technology

Top Stories

Amount Recovered	Summary
\$34,000 2 arrests	Cash Tracker™ - Cincinnati, OH – Jan 2 An armed male suspect entered a credit union, demanded cash and fled on foot. Police were silently alerted and began tracking. Within minutes, the suspect was apprehended, and all the cash was recovered.
\$100,000 4 arrests	Jewelry Tracker™ - Huntsville, AL – Jan 5 Four armed males conducted a smash-and-grab robbery at an upscale jewelry store. Before escaping, they also stole the security officer's weapon. Luckily, Jewelry Tracker was on the job and police quickly learned that they were headed out of Alabama towards Georgia. 3SI's Tracking Support Center coordinated police response between jurisdictions to ensure the criminals did not get away. Due to outstanding coordination and cooperation, the robbers were stopped and arrested. The entire track was more than 200 miles and took close to five hours...but police prevailed and the robbers are in jail.
\$208,389 2 arrests	ATM Tracker™ - Phoenix, AZ – Jan 6 Two criminals used tools to commit an ATM pullout theft. ATM Tracker alerted police that the ATM had left its installed location. Police arrested both thieves and recovered the stolen ATM just 14 minutes later! The bank made a full recovery of over \$200K from the stolen machine!
\$35,000 2 arrests	Cash Tracker™ - Spring, TX – Jan 6 Two suspects entered a bank, demanded cash from the teller and then fled by car. Cash Tracker alerted police who tracked and apprehended the suspects in a residential neighborhood within minutes of the robbery. All the money was recovered.
\$50,000 2 arrests	Phone Tracker™ - Vernon, CT – Jan 25 Two suspects robbed a wireless store and fled by car. Phone Tracker enabled police to immediately lock in on their location. When the individuals became stationary, police moved in. Both suspects were arrested, and all the merchandise was recovered.

73 Criminals Apprehended & over \$831K Recovered!

Innovation That Protects

Amount Recovered	Summary
Full Recovery	<p>Tobacco Tracker™ - Sardis, BC – Jan 25 A disguised, armed male robbed a convenience store of a large quantity of cigarettes and some cash. A Tobacco Tracker was included in the cigarettes. He fled to a waiting vehicle driven by another male. Responding police utilizing the track data supplied by the TSC subsequently located the suspect's vehicle and followed it. The suspects spotted the police and a chase ensued. The suspects eventually abandoned the vehicle and the stolen merchandise. The investigation is ongoing.</p>
<p>\$20,000 1 arrest</p>	<p>Pharma Tracker® - Saskatoon, SK – Jan 26 A male armed with a knife robbed a convenience store of narcotics and cash. Responding Police officers utilizing the track data supplied by the TSC, located the suspect and made the arrest. The device and stolen product were recovered and have been returned to the store.</p>
